

# CS 274C Project Proposal

## Team:

- ❖ George Gabricht - ggabrich
- ❖ Caleb Pitts - clpitts
- ❖ Matthew Stanfield - stanfiem
- ❖ Daniel Tseng - yangfut

## Topic: Emotion Classification Through Deep Learning

Our team is working on an Emotion Classification System that:

- ❖ Takes as input an image of a face
- ❖ Transforms the input image
- ❖ Through deep learning: classifies the emotion the face is feeling
- ❖ Outputs this emotion
